RAFTING

Rafting in Rishikesh | Uttarakhand | India

River Rafting is one of the most popular adventure activity in Rishikesh and is the best river rafting across the globe, having fun on the mighty and splashy waves of the sacred river Ganga with grade III, III+ rapids. It is always super refreshing while surfing on easy waves and **Taking a Dip from the Cliff** to purify oneself. Wash away sins with a dip into Maa Ganga (*referring ancient saying from Puranas*).

Day Guided Tours

SUNRISE & SUNSET TRIP

We at White World Expeditions Organize Sunrise & Sunset Day hikes in and around Rishikesh, one such guided tour we organize is the Kunjapuri temple sunrise trip, Kunjapuri is one of the sacred temples of immense importance in Hinduism and is located at a height of 1676 on a hill. Kunjapuri Temple is dedicated to Hindu Goddess Sati who is considered to be one of the 13 most important ladies of the Shivalik hills. According to a legend, the goddess Sati's torso fell here at that time when her husband Hindu god Shankar was taking her body to Kailash Mountains.

Moonlight Trip & Caving Trip

We at **White World Expeditions** Organize this guided trek under the moonlight/Caving trips in the beautiful Himalayan region, sounds exciting and adventurous, isn't it? Stop thinking & book your moonlight walk with us today at White World Expeditions & enjoy the impressive beauty of the huge moonlight walk and embrace the light wind rustling the hills & tree cover around and explore the longest cave known as Loyal Kailash Cave in the hills, locals believe that Lord Shiva himself dug out this cave to conduct meetings, few others say that this is the place where Shiva set out for Kailash Mansarovar, post that we walk down from top to continue for Gular market & drive back to Rishikesh.

RAFTING EXPEDITIONS

Rafting Expeditions means that we runs long river trip without any support. Totally self-sufficient with all supplies, equipment, food, tents etc., all stuff we carried on the rafts along with the guests. It's an ideal way for reaching the most remote and stunning areas that the Indian Himalayas. We get to set up camps at scenic locations on the river bank, offer sumptuous meals relax by campfires and have loads of fun. We also have an opportunity to take short day hikes to explore remote villages, or trek to water fall and learn about new cultures. The simple life, amazing canyons, sound and fragrance of the forests fills ones senses. The fast-paced life of the city seems to be a myth in these surroundings. You get back home calm and refreshed with loads of memories in a short duration.

Water Fall Guided Tours

WATERFALL VISIT

Neer Waterfall is a famous waterfall located below Neer village Which is a small trek to Waterfall from road. The natural rocky cliffs from which the water flows. Neergaddu waterfall is a wonderful spot, with two bridges and a few resting stops. It's particularly beautiful because of the different species of butterflies that flutter around the wildflowers. You can buy water, soft drinks, noodles, and tea at the small shops there. To get to Neergaddu waterfall, it's a mix of ascent treks and trails along the bank of the Ganges. After enjoying the crystal clear waterfalls, you climb up more to visit a village and see the local lifestyle and Himalayan culture. You also have the opportunity to talk to the locals, have tea with them, and then head back to Rishikesh.
